***FREE* EVENT TO MAKE POSITIVE CHANGE FOR OUR COMMUNITY ANIMALS!**

Unleash Change

Northeast Texas Network Event

Join local leaders, Animal Services professionals, and animal law experts for an empowering session on the legal and public safety challenges affecting animals in our state and community.

Learn how current laws shape humane treatment, and leave equipped with practical, actionable steps to prevent pet overpopulation, reduce stray populations, and stop animal dumping in our area.

Saturday, October 11, 2025

10:00 AM – 11:30 AM

Northeast Texas Community College
Hanson-Sewell Building
237 College Street, Pittsburg, TX 75686

Why participate?

- **Connect with animal welfare advocates, civic leaders, animal services, shelters, and rescues!**
- **Your time and enthusiasm can have a real, lasting impact on the lives of dogs, cats, and people in our community!**

TEXAS HUMANE LEGISLATION NETWORK®

TEXAS-BASED, TEXAS-FOCUSED, TEXAS-POWERED

This event offers an opportunity to come together, learn ways to create positive change for animals throughout Texas, and help build safer communities for future generations.
